GEO. A. LEWIS, Publisher.

A WEEKLY PAPER—DEVOTED TO LOCAL AND SOCIETY NEWS.

TERMS: \$1.00 In Advance

VOL. XXIV.

FRANKFORT, KENTUCKY, SATURDAY AUGUST 24, 1901.

NO. 50

## UNFORTUNATE AND SAD AFFAIR.

Just after we went to press, on Friday last, the news came to this city that Mr. John Meagher, jr. (son of Mr. John Meagher, of this city), had, while involved in a difficulty with W. J. (Jady) McNamara, in Lexington, shot and killed him.

From the evidence it was clearly a case of self-defense.

Young Meagher was arrested and held over until Monday, when he had his examining trial and was bound over in the sum of \$600, which he readily gave and was released.

McNamara was a desperate man and had been a source of trouble to his family and the authorities for a long time, and the city of Lexington is none the worse off now that he is gone.

The sad part of it is the added sorrow to his aged mother and other relatives; and the still further sadness that the life of young Meagher will always be shadowed by this trouble, even though he was clearly justifiable.

Mr. John Meagher, sr., went to Lexington, Monday, and after the trial, brought his son home with him. The sympathies of our citizens go out to them in their troubles.

## HEADQUARTERS OF FRANKFORT COMMANDERY.

On Board the Steamer Falls City at Louisville Next Week.

Frankfort Commandery, No. 4, Knights Templar, will attend the Conclave of the Grand Encampment of the United States at Louisville next week, and during their stay in that city will be quartered on board the Steamer Falls City, where they have established headquarters. The boat will be tied up at the foot of Fourth street, which will put the Sir Knights within two blocks of the building where the grand hall is to be given and only a few blocks away from their position in the line of the grand parade, which forms upon Main street Tuesday morning. The commandery will be represented in the procession by about forty swordsmen, some thirty odd going from this city and ten or a dozen members of the Commandery going from Lawrenceburg.

## BUYS A BRANCH LINE.

The Shelbyville, Bloomfield & Ohio Railroad, which runs from Shelbyville to Bloomfield, Nelson county, was sold by its owner, Hon. P. Booker Reed, of Louisville, on Monday, to the L. & N. railroad. This road is 27 miles long and has been run as a feeder to both the L. & N. and the Southern. The price paid was \$150,000, subject, of course, to the bonds heretofore issued.

Don't be satisfied with temporary relief from indigestion. Kodol Dyspepsia Cure permanently and completely removes this complaint. It relieves permanently because it allows the tired stomach perfect rest. Dieting won't rest the stomach. Nature receives supplies from the food we eat. This sensible way to help the stomachs to use Kodol Dyspepsia Cure, which digests what you eat and can't help but do you good. South, Longmoor & Co. and W. McKee Hardie.

## VERY ENJOYABLE.

Rev. W. C. Taylor, D. D. of Indianapolis, Ind., preached at the First Baptist Church of this city, on Sunday morning, from the text "All things shall work together for good to men that love God."

It was a tender and powerful declaration of the gospel of cheer and hope to the despondent and of courage to the soldier of the cross.

There was a fine audience in attendance, in consideration of the fact that the rain poured down in torrents just before time for service and while it was in progress.

On the evening of the same day Rev. W. E. Gwatkin, of Troy, Ohio (formerly pastor of Evergreen Church, this county), preached a magnificent sermon from the text "Whosoever ye do, do all to the glory of God."

There was a large audience present, and the brilliant and able preacher held them as still as death from beginning until his solemn peroration, in which he exhorted every one to let the right and God's glory be their guide in religion, business and politics.

It is seldom that a people have the great privilege of hearing two as fine sermons, from different speakers, which so perfectly fitted in and dovetailed the one to the other.

The congregations present greatly enjoyed the ministrations of these brethren, who are so universally beloved in this community.

## DEATH OF A FORMER FRANKFORT LADY.

By a dispatch from Louisville we learn that Mrs. Julia Smith Webster, widow of Rev. Thos. Butler Smith (and daughter of Col. D. Howard Smith,) died at the family residence on Broadway street, in Louisville, on Monday.

Mrs. Webster was a handsome young girl, when she lived here, and was loved by all who knew her.

She leaves one daughter (Miss Margaret Webster) several sisters and two brothers besides a host of friends and relatives to mourn her death. She had been in poor health for about a year.

She was a gentle, consecrated Christian woman.

The burial took place in the Lexington cemetery on Wednesday last.

## NEW INVENTION.

Mr. James O'Connell, Sergeant-at-Arms of the Court of Appeals, is the inventor of a metal tug, which he is having manufactured and put on the market. Mr. O'Connell obtained a patent on his invention about a year ago. This tug takes the place of the leather tug, is easily adjusted to the shaft, and being cheap and durable will commend itself to those who use harness. The Adams Express Co. is answering a proposition to use it on all the harness owned by that big corporation. This looks like Mr. O'Connell has a good thing, and we congratulate him.

## GRADUATED OPTICIAN.

By reference to a notice in another place in our paper of today, it will be seen that Dr. G. Goldstein, of the well known Louisville firm of R. & G. Goldstein, opticians, has taken rooms at the Capital Hotel for a short stay, and will be pleased to adjust glasses to the eyes of all those needing them.

Dr. Goldstein is the brother of Dr. R. Goldstein, who has been, for so many years, a regular visitor to our city. And, like his brother, is a graduated optician, and thoroughly fitted for the work.

### SALE OF THE F. & C. RAILROAD.

Col. Geo. B. Harper, General Superintendent of the Frankfort & Cincinnati Railroad, made a statement Thursday confirming the publication of the sale of the Frankfort & Cincinnati road for \$300,000 to Mr. Charles E. Lewis, of New York. Col. Harper said: "Plans for the improvement and extension of the road are not sufficiently matured to be made public, but such plans are under consideration. The road was purchased as an investment, but it will require the expenditure of a large amount of money in improvement of facilities and extension of line to make it a paying one."

"The Board of Directors has been succeeded by an entirely new one. There will be no changes in the operating force, J. R. Newton continuing as General Freight and Passenger Agent, and Claude Bowles as Auditor."

It is understood, however, that the new Board of Directors include Messrs. A. D. Martin and D. W. Lindsey, Jr., of this city, and W. O. Carrick, of Georgetown, Ky. This we learn from an unofficial source.

Col. Harper, the jolly and efficient General Manager, is the President of the new company.

[From the Evening Record, Alleghany, Pa., October 10, 1896.]

"When General Pearson gave the order to March, and the famous Stonewall Band, containing four original war members of this excellent organization, broke forth in martial quickstep, the cheers could be heard for a mile."

There was a fine crowd out at the Y. M. I. picnic on Wednesday. Owing to the inevitable rains at noon, which seems always to come whenever this society gives a picnic, the pleasures of the day were somewhat marred. The afternoon and evening were fine, and the crowd was considerably increased.

[From Prof. Jacob Rinehart, Richmond, Va., June 11, 1896.]

"On the occasion of the re-impement of Jefferson Davis, I had the pleasure of listening to the recitation of my march by your hand at Hollywood. You did yourselves great credit and gave me much satisfaction, for it was well done."

MY HEART IS THINE.

My heart is thine, but, oh!  
I strive in vain  
To bring my thoughts to know  
The higher plain.  
A flash, and then 'tis gone—  
The Holy Light—  
A glimmer of the dawn,  
Then sudden Night!  
The visage of the Good  
Is marred with dust;  
I love not as I would,  
But as I must.

FRANKLIN ASSOCIATION.

This venerable body of Baptists met at the North Fork Church, at Switzer, this county, on Wednesday last, and continuing two days.

Every one of the sixteen churches, with the exception of South Benson, was represented by a full delegation.

Dr. U. V. Williams was elected Moderator, Mr. Ernest R. Jones, Clerk, and Mr. Clark Lee, Assistant Clerk.

The reports from the churches showed a very gratifying increase in the membership by conversion and baptism, the church in this city leading with 54 additions in that way.

There were over 2,000 people present the first day, and not quite so many the second.

The good people of the church and neighborhood had an abundance of every thing good to eat,

the long tables set under the shade of a row of trees along the pike, literally groaning under the weight of substantial and delicacies.

All proper precautions had been taken for the maintenance of good order and the keeping away of all disorderly persons. Every thing was done quietly and in order.

Rev. W. C. Taylor, D. D., formerly of this city, but now of Indianapolis, Ind. (in the necessary absence of Rev. M. B. Adams, who was to have preached the introductory sermon), preached a strong and eloquent sermon from the text "And ye shall know the truth, and the truth shall make you free."

Memorial resolutions were adopted setting apart a page in the minutes to commemorate the twenty years service as Moderator of the body, Col. Thos. Rodman, at. Tender and appropriate remarks were made upon same.

Taken in every way this was one of the best meetings ever held by this body of 8,300 Christian people, and this was largely due to the effective work of Rev. Wm. McMillan, the pastor, and a committee of brethren of North Fork Church.

The place of meeting next year was left with the Association Board, to be made known next May.

ZILPAH.

Health good. Not many on the sick list. Among the number is Mr. Burton Duncan, who is confined to his room at present.

Among the visitors are Mrs. Sarah Moore, who returned from a visit to her son, Mr. G. D. Moore, near Eminence, this week.

Mr. Wilson Moore, wife and Miss Iva Moore, were at Shelbyville Friday shopping.

Mr. T. J. Perkins, tobacco agent, near Shelbyville, was in our community Saturday looking after shipments of the product to his house.

Rev. J. H. Peuce was the guest of Mr. C. W. Perkins and family Monday.

Mr. C. W. Perkins and Mr. Dennis Cook were in town this week on business.

Mr. George Bright and family were the guests of Mr. W. B. Moore and family Sunday.

Mr. W. B. Moore, wife and son, Master Clay, were the guests of Mr. Vick Gordon and family, near Eminence, one day the past week. Miss Mattie Phillips and her brother were the guests of Miss Adelle Moore Sunday.

It is said there will be a wedding in our community in the near future. If there is any thing in appearances, the rumor surely will be true.

Mrs. Ed. Duncan, daughters and son, of Bridgeport, visited friends at Warsaw Friday. Guess the preacher thought to gain

favor of the old folks by remaining at home and assisting in the cooking. That's right. Be useful as well as ornamental.

We guess J. B. M. will get all the way this time. It appears he has made a trade with the preacher to tie the knot by loaning him the use of his buggy. He is a sly coon, you bet.

Mr. Arthur says M. P. and A. M. are initials that will bind the contract. The future will prove all things.

The two weeks meeting at Lebanon, conducted by the pastor, Rev. Mr. Johnson, and assisted by Rev. John Shaw, closed Saturday night with quite a number of additions. Baptism was administered to fourteen candidates Sunday morning at 10 o'clock, at the old stand on Six Mile, known as Stivers Mill, by the pastor.

CLOSE OBSERVER.

CHOCATEVILLE.

Mrs. Humphrey and granddaughters will leave for their home in Louisville Monday, after an extended visit to relatives in this vicinity.

The Rev. Thos. Lennox preached last Sunday to a large and attentive congregation. The church is newly painted, and the minister hopes soon to have it papered.

Mr. George Dennis, we are glad to say, is able to be out. He made a visit to Frankfort last Wednesday.

Mr. Alexander Sargent, who dislocated his shoulder last Monday a week ago, by slipping on a banana peeling, is very much better. He will return to Louisville to-day after a ten days' visit to friends and relatives in this community. His wife and son will accompany him home.

Mrs. Bettie Dennis, who has been sick, is much improved.

A daughter was born to Mr. and Mrs. Manree last Wednesday and lived but a few hours.

## Eat and Run.

There isn't a man who would be seen running through the street munching a piece of pie. Why not? Because it would mean dyspepsia and stomach trouble? Not at all; but because it wouldn't look well. As a matter of fact many a business man matches a lunch in such a hurry that he might as well take it on the run. That is one reason for the prevailing "stomach trouble" among men of business.

There is a certain remedy for diseases of the stomach and other organs of digestion and nutrition. It is Doctor Pierce's Golden Medical Discovery. The worst cases of dyspepsia and catarrh of the stomach have been cured by this medicine. It cures where all other means have failed to cure.

"I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble," writes Clarence Carney, Esq., of Taylorstown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat now anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, and how it had cured his wife. I thought I would try a bottle of it. Am now glad I did. For I don't know what I would have done if it had not been for Dr. Pierce's Golden Medical Discovery."

Doctor Pierce's Pleasant Pellets cure biliousness. They stimulate the sluggish liver, and cleanse the system of impurities. They should always be used with "Golden Medical Discovery" when there is need of a laxative.

FRANKFORT, AUGUST 24, 1901.

### THE BLESSED RAIN.

Friday night last, about 10 o'clock, a splendid rain commenced to fall, gently and quietly, so that every drop soaked into the ground. It continued to increase in volume until shortly before 5 o'clock, Saturday morning, when it came down in torrents.

Later, it slacked up, and rained in showers most of the day and night. Sunday was showery the greater part of the day, at times raining very hard.

It remained cloudy part of Monday, thus preventing the loss of any moisture by the thirsty ground.

Vegetation has begun to put on a new face already, and pastures that were sere and brown, ten days ago, are now beautifully green and fresh.

### A NEW DISTILLERY.

There has been a corporation formed to build and operate a big distillery, on Elkhorn creek, near the Forks of Elkhorn. Messrs. R. A. Baker, of Lexington, George Baker, of St. Louis, Mo., and Thos. H. Hinde, of Chicago, Ill., are the members of the corporation. They will build a 10,000 barrel house (per annum), on the old Macklin farm. There is a magnificent and famous spring at that point, and several times in the past negotiations have been made for such an establishment, which fell through, owing to a lack of shipping facilities, which are now supplied by the F. & C. railroad.

The new distillery will be known as the "Mill Brook Distillery."

### ICE CREAM SUPPER.

The good ladies of Choateville will give an ice cream supper at the Choateville school-house to-night (Saturday), to begin at 7:30 o'clock, and continue until about 11 o'clock.

It will be given for the benefit of the Choateville Christian Church, to raise funds to paper the church. It is a good object, and these good ladies know how to make every thing nice. Those going will have a good time. We trust there will be a big crowd present.

### LAST SUNDAY'S EXCURSION.

The Steamer Falls City left this port on Sunday last at 6 o'clock a. m. with only a moderate crowd of excursionists on for High Bridge, where Capt. Blondell was holding forth. Before the boat reached her destination she had quite a good crowd on board. On the return trip she reached port about 9:30 p. m.

### HOLDING A MEETING.

Rev. M. B. Adams, the brilliant and scholarly young pastor of the First Baptist Church, of this city, left Monday for Deatsville, Nelson county, to hold a protracted meet-

ing with the Deatsville Church, Rev. W. O. Carver, pastor.

We can assure the people of that neighborhood that they have a treat in store for them in the sermons of this earnest, eloquent and consecrated man of God.

Mr. Adams will be gone until to-day week.

### TO PREACH AGAIN.

We are glad to announce that Rev. W. C. Taylor, D. D., so long the well beloved pastor of the First Baptist Church of this city, will preach in that church again both to-morrow morning at 11 o'clock and at 8 o'clock p. m.

Those who heard him last Sunday will be sure to hear him again to-morrow, and a large number of others.

A cordial invitation is extended to every body who can do so to attend.

### NOTICE TO CITY SCHOOL PUPILS AND TEACHERS.

The Superintendent of the City Schools of Frankfort will be in his office Thursday and Friday of next week to meet any pupil who desires to talk about promotions, examinations or any school subject. Also any parent or guardian who wishes to see him may call on either of these days. Teachers meeting will be August 31 at 10 a. m. Parents and guardians will confer a favor upon pupil and teacher by having pupils to start the first day.

Yours truly,

S. L. FROGGE,  
Superintendent.

### SPOILED THEIR FUN.

Several couples of young people started from the "Pleasant Ridge neighborhood Wednesday morning to attend the Baptist Association at Switzer, and when near Harvieland a horse attached to one of the buggies took fright and started to run, when two of the buggies crashed together and were overturned, throwing the occupants into the mud. Aside from a few bruises no damage was done, but their day's pleasure was spoiled.

### WHAT A TALE IT TELLS.

If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, it's liver trouble; but Dr. King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25 cents at J. W. Gayle's.

### PUT IN A SEWER.

The city has this week put in a 12-inch crock sewer from the catch basin in front of the store of Mr. J. C. Mastin, on Main street, into the main sewer, to take the place of the small one, which was continually being choked up with the filth accumulated in the street, and had become a perfect nuisance whenever it rained.

### QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and seldom heard of appendicitis, nervous prostration or heart failure. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. South, Longmoor & Co. 42-ly.

## SHELBY COUNTY FAIR.

41st Exhibition of "This Historic Association To Be Given At Shelbyville Aug. 27-30.

The 41st exhibition of the Shelby County Fair will begin at Shelbyville, Ky., Tuesday, August 27, and continue 4 days. The coming exhibition promises to be the greatest in the history of this historic association and the management is sparing neither pains nor expense to make it eclipse all former efforts. President J. H. Fullenwider and Secretary J. M. Logan announce that even at this date applications for stalls indicate that the show of horses at the Shelby County Fair this year will eclipse anything ever before attempted in Kentucky. The cattle show promises to be also equally fine, every celebrated breeder in the country having signified his intention to be present with the pick of his herd.

The premium list is most liberal and covers everything, this being the recognized old fashioned fair in Kentucky. The proverbial hospitality of the people of Shelby county, as in the past, will be generously extended to all visitors. For a good time with good people, let your slogan be "Meet me at the Shelby County Fair, August 27, 28, 29, 30."

[From the Canton Morning Record October 10, 1896.]

"The Stonewall Brigade Band is an excellent musical organization, organized in 1855. They made a handsome appearance and their music was first class."

## PROTECT YOUR EYES.

Dr. G. Goldstein, the Eminent Optician, of Louisville, is now at the Capital Hotel, Where He Will Remain a Few Days Only.

Having had many years experience with a large practice all over the State, he is enabled to relieve those persons having any ailment of the eyes causing pain and imperfect sight. The Doctor will examine your eyes and fit them with perfect glasses.

In all cases of imperfect vision and headache caused thereby, a perfect spectacle will give relief. To eyes tired, weak, painful, dimmed or blurred, they offer a strengthening rest and refreshment. In other words, remove the cause of the difficulty, and the eyes will have their original brightness, beauty and health. It requires professional guidance even when the best article is offered, as the eyes are frequently dissimilar, and many require compound lenses.

The Pebble Lenses are the most highly esteemed of any used in spectacles resulting from the hardness of the material, their transparency, and more than all to the fact that they are accurately ground. To fully appreciate the importance of using the spectacles with perfect lenses, it is but necessary to state the fact that of the lenses used in spectacles all but a very small percent, are NOT GROUND but merely moulded or pressed into form, and are very injurious to the eyes.

We distinguish between faults of accommodation and refraction. The latter is inherent in the form of the eye, the former belong to the performance of its function. Both are frequently mingled in the same case, but each can be distinguished from the other. Errors in the form of the eye are as follows: Its axis is too short (Hyperopia); its axis is too long (Myopia); its curves are not symmetrical, or the composition of its refractive media is not uniform (Astigmatism).

The last mentioned error may be combined with either of the two preceding. Many persons use glasses of too great a refractive power or too strong a magnifying power, supposing they see better, or to economize that they may not hold the type so far away from them in so short a time, this is entirely a mistake. As this causes the ciliary muscles to relax, causes a hardening of the Crystalline Lens, and you will have to change for still stronger Lenses in rapid succession and lose the power of accommodation, or lose the power to adjust your eyes to different distances, consequently you will have to wear glasses for near and distant vision. This can be avoided by using spectacles of proper focal power.

## PROTRACTED MEETING.

We are requested to announce that Rev. Mr. Carroll, an eloquent and able preacher, will commence a protracted meeting of two weeks duration with the Forks of Elkhorn (Harmony) Baptist Church to-morrow (Sunday). Services will be held every evening at 7 o'clock. Every body cordially invited to attend.

## COLORED.

Our colored friends held their fair this week at the Pepper race track. There was, as usual, a large crowd present. Several races were run, during the course of one of which a horse fell and threw his jockey over his head, badly bruising his leg. The horse itself turned a somersault, but was uninjured.

Cuts and bruises are healed by Chamberlain's Pain Balm in about one-third the time any other treatment would require because of its antiseptic qualities which cause the parts to heal without maturation. For sale by J. W. Gayle and South & Longmoo.

The funeral took place, on Monday morning, at 10 o'clock, at the home of his father, services being conducted by Rev. Mr. Shaw, after which the remains were buried in the Sudduth burying ground.

**BRAWNER**—In this city, on Wednesday night, Mrs. Katie Brawner, wife of Mr. George Brawner, of blood poison.

This is a peculiarly sad death, as, besides a little child only two years of age, she leaves a babe of only a few days.

Mrs. Brawner was a devout Catholic, and the funeral took place from the Church of the Good Shepherd on yesterday, services conducted by Rev. Father T. S. Major, and the remains were buried in the family lot in our cemetery. To the bereft young husband our sincerest sympathy is extended.

## A MINISTER'S GOOD WORK.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kas. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea and he said No." I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it the best medicine I have ever tried." For sale by J. W. Gayle and South & Longmoor.
